Prepared by: John Newhoff Special Ed Teacher **Area** _____

PURPOSE: IEPs must include a statement of measurable annual goals, including academic and functional goals, designed to meet each of the student's educational needs that result from the student's disability to enable the student to be involved and make progress in the general education curriculum. In order to be measurable, the goal should include a baseline ("from"), a target ("to"), and a unit of measure. For students who will be assessed through the WAAS Portfolio this year, the IEP team should use the "Measurable Annual Goal(s) with Short-term Objectives/Benchmarks" form.
