

**PURPOSE:** The purpose of the Extended School Year (ESY) addendum to the IEP is to identify services that the student requires beyond the normal school year. This decision is made in accordance with the IEP and at no cost to the parents of the student (see WAC 392-172A-02020).

**EXTENDED SCHOOL YEAR (ESY) ADDENDUM**

Student Jason Patterson Student # 49 Addendum Date: \_\_\_\_\_

The IEP team has determined that this student is eligible for ESY services because these services are necessary for the provision of a free, appropriate public education (FAPE) to the student.

Description of the skills and/or behaviors that require ESY services in order to be maintained.  
Include student data to support the recommendation:

**POINTS TO CONSIDER:**

\*The purpose of ESY services is the maintenance of the student's learning skills or behavior, not the teaching of new skills or behaviors.

\*The IEP team's decision for ESY should be based upon regression and recoupment time based on documented evidence, or on the determinations of the IEP team, based upon the professional judgment of the team and consideration of the nature and severity of the student's disability, rate of progress, and emerging skills, with evidence to support the need.

**Attach amended Summary of Services Matrix if services being provided change from the original IEP as a result of this addendum.**
