

PURPOSE: After the annual IEP team meeting for a school year, the parent and the school district may agree not to convene an IEP team meeting for the purpose of making changes to the IEP, and instead may develop a written document to amend or modify the student's current IEP. If changes are made to the student's IEP, the district must ensure that the IEP team and other providers responsible for implementing the IEP are informed of the changes. Upon request, the parent must be provided with a revised copy of the IEP with the amendment(s) incorporated. Note: Other provisions of WAC 392-172A-03110(3) apply. (See also WAC 392-172A-03015 (1)(a)).
